Councillor Meeting/ Q&A will not happen on proposed date due to uncertainty of community building availability.

The committee has decided to take a step back but are happy to help other committees as they are needed.

Light Up The Town is getting rolling. Parade route will be the same this year. We have permission to use the Adaptations building for Santas Workshop if it hasn't sold, DeVenney Room will be the backup. The committee wants to focus on more food vendors.
