### **COMMITTEE REPORTS:**

#### **VIC-Tourism:**

There is currently no one chairing the committee.

There will be a summer employee and the VIC will open this year.

We received the TIANS grant of \$700.00 in 2025. County Grant for 2026 has been applied for. Discussion took place regarding asking surrounding communities for funding to help or VIC this year.

#### **Development Committee:** Caroline on behalf of Nancy

The committee has been functioning without an executive for the past year and working members have declined in numbers for a variety of reasons. A very small core has been able to continue with Christmas decorations in the business district, the VIC and lighting up Jubilee park.

The only project going forward is to paint the benches that need refreshing, filling the planters with new plants. Lynn and Ken Winter are refurbishing the business signage on the corner of Jackie Foster's lot.

Respectfully submitted

Nancy Price on behalf of the committee

**Membership:** John

The member list has been narrowed down to 124 members. Of these members we still need to gather some contact information.

Members will be invoiced this year.

The updated email list will be sent to Andy Kerr to go onto the website.

**LUTT:** John

LUTT brought in roughly \$11, 100.00 with roughly \$8000.00 in expenses for a profit of \$3150.00. We may consider an earlier date this year as the past two years have been very cold.

**Commerce Committee:** Trudy
