Christine attended the levy meeting September 16, no money that has been collected has been spent, there is a plan in progress as to what to do with the funds. There are still many businesses not complying, very disappointing.

Harrison gave his report for the summer as the employee at the VIC. Successful summer. Total visitors at the VIC was 695. Total of 461 people used the boat launch while he was open. 251 people used the Cyprus walk. 93 people inquired about County boat rentals.

The boat rentals were an area of contention, Ted is going to see what can be done about getting rentals back up and running.

Development Committee: Caroline & Carrie

Queen Street flowers were lovely this summer.

Ferns ordered from Amazon that they were hoping to return are still under review.

Queen Street Market was held September 12, there were 20 table rented, \$210 was raised for the Chamber. They hope to make it an annual event.
